# STUDY\_DESC

Thank you. Explain the following ONLY if this is a new hospital. Provide the administrator or other hospital representative with a brief description of the study. Cover the following points - Now I would like to provide you with further information on the study. (1) NHAMCS is the only source of national data on health care provided in hospital emergency andoutpatient departments and ambulatory surgery locations. (2) NHAMCS is endorsed by the: American College of Emergency Physicians Emergency Nurses Association Society for Academic Emergency Medicine American College of Osteopathic Emergency Physicians Federationof American Hospitals Ambulatory Surgery Center Association American College of Surgeons American Health Information Management Association American Academy of Ophthalmology Society for Ambulatory Anesthesia (3) Nationwide sample of about 600 hospitals. (4) Four-week data collection period (5) Brief form completed for a sample of patient visits. As one of the hospitals that has been selected for the study, your contribution will be of great value in producing reliable, national data on ambulatory care.
